About Us Eser-i İstanbul

Eser-i İstanbul opened its doors on June 1, 2025, within the Melas Hotel in Gayrettepe—one of Istanbul’s key business and hospitality hubs. The brand aims to blend the rich heritage of Turkish delight and the elegant tradition of Turkish hospitality with a modern presentation style and contemporary design touches. Drawing inspiration from tradition while being positioned to meet modern expectations, Eser-i İstanbul offers a unique experience to both domestic and international guests. Its product portfolio comprises carefully selected varieties of Turkish delight, shawl collections, colognes, special essences, and gift items catering to diverse tastes. All products are crafted with a commitment to quality, aesthetics, and sustainability, and are complemented by presentation and packaging options tailored to corporate needs.

Aiming to go beyond being merely a brand that offers products, Eser-i İstanbul strives to be a solution-oriented business partner, providing personalized gift solutions for corporate clients, curated selections for special occasions and events, and customizable packaging options. With its store in the heart of Istanbul and a commitment to professional service, Eser-i İstanbul operates as a trusted and respected brand that reinterprets traditional values through a modern perspective.
